Easily Track Diet and Vital Signs

- Maintain a diary of daily food and fluid intake
- Track blood pressure, heart rate, weight, and blood sugar level

The screenshot shows the 'Add my' section with two tabs: 'Food' (selected) and 'Vital Signs'. Under 'Food', there are fields for 'What did you eat?' (containing 'CEREALS RTE, KELLOGG, KELLOGG S ALL-BRAN C'), 'How much?' (1 cup), and 'When?' (Morning). An 'Add Food' button is present. Under 'Liquid', there are fields for 'What did you drink?' (water), 'How much?' (2 glasses), and 'When?' (Morning). An 'Add Liquid' button is present. At the bottom, there is a 'Daily Note' text area and an 'Add Note' button.

The screenshot shows the 'Add my' section with two tabs: 'Food' and 'Vital Signs' (selected). Under 'Vital Signs', there are fields for 'Blood Pressure' (Systolic / Diastolic), 'Heart Rate', 'Weight' (lbs), and 'Blood Sugar' (mg/dL). A 'When?' dropdown menu is set to 'Select'. An 'Add' button is present. At the bottom, there is a 'Daily Note' text area and an 'Add Note' button.

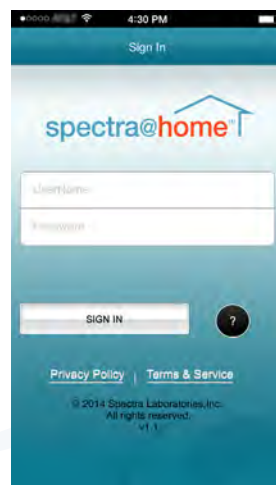

Generate Customized Reports

Facilitates monitoring and follow-up with the patient care team during clinic visits

- Customize reports to include some or all of the following parameters:
 - Food, liquids, vital signs, daily notes, lab results
- Create and view daily or weekly reports

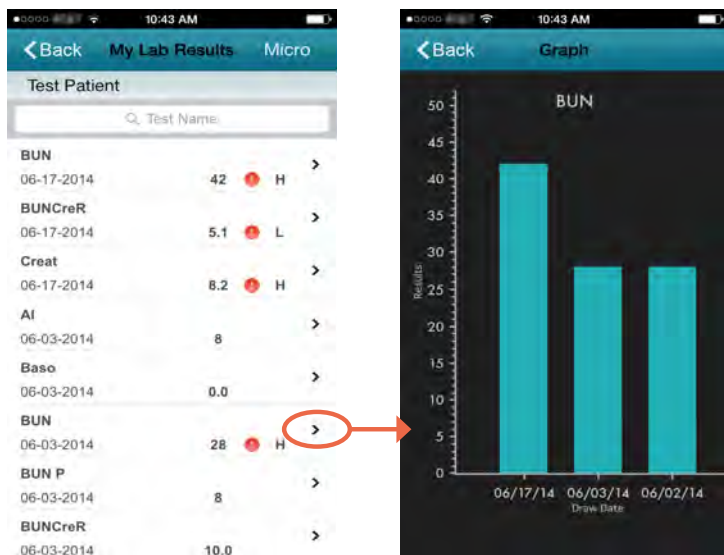

Spectra@home Mobile App

Available for iPhone®, iPad®, iPod touch® and Android™ mobile devices

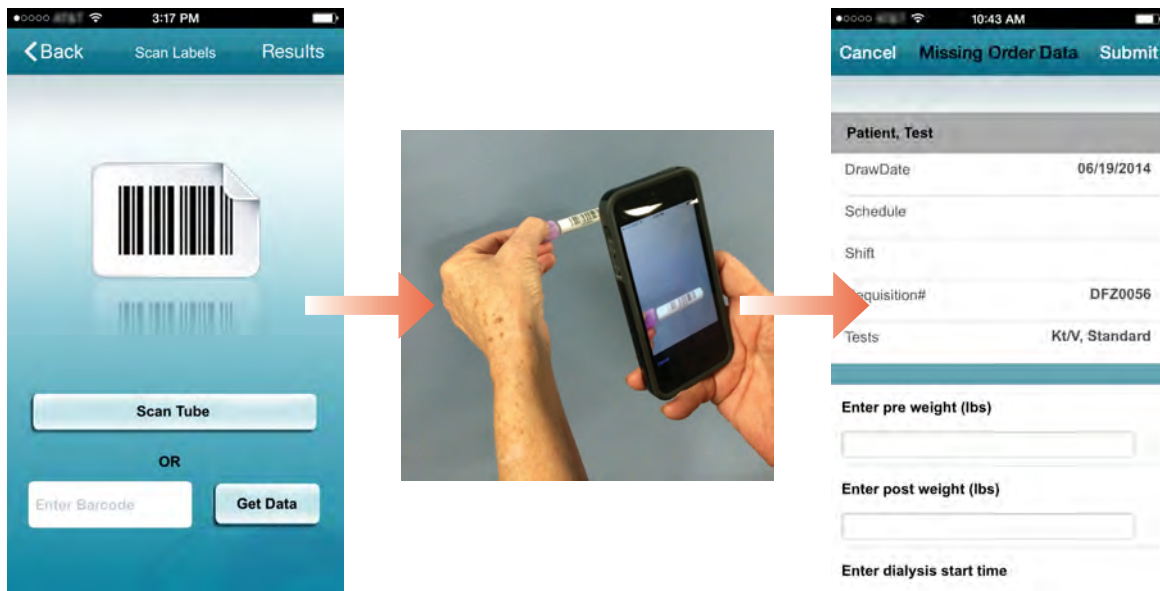

Spectra@home Mobile App

- Patients can access recent lab results from the last 45 days
 - Microbiology results are also accessible
 - Click on a specific test to view a historical trend of the last three results

- Home hemodialysis patients can electronically submit order data directly to the lab using a barcode scanning feature
